

## Scroll Effect Task - Domantas

- Scroll effect example: <https://www.apple.com/iphone-13-pro/> (reiks nemazai pascrollint, bet is karto pamatysi apie ka kalba eina)
- Webas ant WP, Elementor, but u can do whatever u want
- Kaip turi atrodyti effect: <https://we.tl/t-MYnRqp5YyJ>
- Deadline: As soon as possible reik pamatyti example
- Jei netiks png formatai, we can get anything
- Kad geriau suprastum, limitu nelabai yra, we just need to get what we want :DDDDDD
